Subject: Sit Rep #62: Freedom Convoy 2022- National Capital Region 2022-01-28-2022-02-01

****Sit Reps will now be distributed every 2 hours, as long as the situation continues to remain stable.**

Situation as of 1313hrs on 2022-02-02

-
Event Overview:

- **Approximately 20-30 demonstrators** are reported to be on **Parliament Hill** at this time.
- **Approximately 10-20 demonstrators** on **Wellington St.**
- A crowd is building on Rideau Street, however the area surrounding the US Embassy remains clear and the Byward Market remains quiet.
- Approximately 30 people have gathered in Confederation Park around an oil drum fire pit where **Personal** is currently delivering a speech.
- Other Events:
 - o K Division (Coutts): CBSA reporting no changes at this time. Even continues to be managed by their onsite management team. Preparations remain ongoing in anticipation of higher volumes upon highway reopening.
 - o D Division: As of this morning, the convoy in Emerson, MB is approximately 3-4 semi trucks and 15 pick up trucks. They are actively involved in a slow roll along 2 miles of Highway 75. Detachment commander is engaged in communication

with event organizers. At the top of each hour convoy stops on the road for a few minutes to delay traffic. This has remained peaceful at all times.

Operational Information:

- **Personal** is currently delivering a speech in Confederation Park to approximately 30 people, who are all surrounding an oil drum fire pit. He is asking those present to disregard everything the mainstream media has to say and has indicated that he does not plan on defending what the media is saying about him. He indicated that the truckers on PH need “love and prayer” and stated that he hopes to move from Confederation Park to Wellington St., this suggests that this group is not associating with the group on Wellington St. He did signal that he knew where the convoys were going and suggested that it would be a good time for LEGAULT to step down. If not, that they would send a convoy there too and any other major city in Canada. Others around the fire pit have acknowledge **Perso**’s efforts to make this a peaceful protest and someone from the group signaled that they had booked their hotel for another week.
- In a video posted to **s.37**, **Personal Info.** mentions he is coming to Ottawa and also mentions this weekend is the time to do a final push. **Personal Info.** current location couldn’t be confirmed.
- **Personal Info.** has posted to his Facebook profile that today will be a vest free day to show support for First Nations. **Personal Info.** also mentions that they require additional support from members.
- A convoy of teachers from Quebec is expected to depart St.Jerome, QC on 2022-02-04 at 0900hrs and will make their way to Ottawa. The group “Le Collectif Education et Droit Humain” are organizing this convoy in support of truckers. Online engagement suggests 22 “going” and 77 “interested”.
- **Personal Info.** posted to Facebook that he is organizing a convoy which will be leaving Beauce, QC to make their way to the Parliament of Quebec on 2022-02-05.
- **Personal Info.** has also posted to Facebook that he is organizing a convoy to Ottawa leaving from Beauce, QC on 2022-02-05. The number of expected participants could not be confirmed at this time.
- CIG has received reports that owners of the Zibi parking lot intend to expulse the Farfadaa group.
- CIG OSINT reports a conversation taking place on a **s.37** channel that reported Antifa adherent gathering at 201 Sussex Drive or at the Embassy of Saudi Arabia. Multiple users began encouraging members of the channel to gather at the Embassy. In response some users began discouraging the listeners from gathering at the Embassy as it would “violate international rights {and} trigger war”, Another user suggested that this is

simply r/Ottawa Subreddit users joining the s.37 channel to antagonize channel members.

- s.37

-

- CIG received reports from OPP Intel that a load of wood is being delivered to Confederation Park.

-

Operational Planning:

- Nil updates at this time.

Protective Clients and Protective Sites:

- PPS has advised that there are approximately 55 MP's on the Hill. No issues experienced

Communications:

- Nil updates at this time.
